COMMENTS: Candidate submitted his waiver by fax and states that it was a great honor to be able to be a candidate in the November 2020 runoff election. He said he received the informational package prior to the election regarding the election and filing dates he read it thoroughly. After reading the documents carefully, it stated District offices were Louisiana Legislature, offices of elected parish wide, district court judges, family court, juvenile and city court judges, marshals and constables. He said he did not see Councilman on that list therefore his understanding he was an "any other" level candidate. With that being said it stated that any other offices must file reports only if they spend over \$2500 or collection over \$200 from a single source. He did not file reports since he had no contributions or expenditures.

RE: Late Fee for the November 3, 2020 Election

Dear Ms. Horn:

It was a great honor to be able to be a candidate in the November 2020 Run-off election.

I am writing to ask for a waiver of the late fees that was assessed due to failure to submit campaign finance disclosure reports.

When I received the informational package prior to the election containing all information regarding the election and filing dates, I read it thoroughly. After reading the documents carefully, it stated District Offices was Louisiana Legislature, offices of elected parish wide, district court judges, family court, juvenile, and city court judges, city court marshals and constables. I did not see Councilman in that list; therefore, my understanding was my category was any other offices. With that being stated, it stated that any other offices must file reports only if they spend over \$2,500.00 or collect contributions of over \$200.00 from a single source, excluding their personal funds.

I did not file reports based on that information due to the fact that I did not have any expenditures or contributions. Immediately following the election, I did submit the required report.

All reports have been submitted.

I certainly appreciate it if you consider the aforementioned circumstances and waive the late fees.

Sincerely,

Alfred Bell
